

**Salary Deferral Election**  
for plans permitting "Roth" Contributions

Plan Name:

Participant's Name:

As a Participant in my Employer's Salary Deferral Plan, I hereby elect to defer the following amounts of my Compensation, which shall be contributed to the Plan on my behalf. This election is to be effective as soon as administratively practicable, but not earlier than the next election date permitted by the Plan.

- // Defer \_\_\_\_\_% of my compensation.**
- // Defer a % of my compensation equal to \$\_\_\_\_\_ from each paycheck.**
- // DO NOT defer any amount from my compensation at this time.**

This election will stay in effect until I cancel or change it by filing another election with my Employer. I understand that I may file a new election, which will be effective for future payrolls, only at the times permitted by the Plan.

If I have elected to make a Salary Deferral, I further elect that:

- // All of my deferral shall be an after-tax "Roth" deferral.**
- // All of my deferral shall be a pre-tax "regular" deferral.**
- // \_\_\_\_\_% of my deferral shall be an after-tax "Roth" deferral and \_\_\_\_\_% shall be a pre-tax "regular" deferral.**

If no election is marked, I elect that all of my deferral shall be a pre-tax "regular" deferral.
