*Plan administration is not just a part of our business,
it IS our business*

Why choose Advantage Administrators? We Offer:

- A one-touch mobile app, which allows an employee to check flexible spending account balances, submit a claim, check on a required receipt, check on HSA balances and investment summary.
- Text alerts or e-mail alerts for an employee's flexible spending accounts and HSA.
- Consolidated employee benefit billing platform for employers.
- In person one-on-one employee education.
- An online enrollment platform for all employee benefits.
- An employer dashboard which turns employee analytics into employer opportunities.
- Customer service, where an employer or employee speaks to a real person to answer his or her questions M-F from 8 a.m. - 5 p.m.

We serve more than 600 Iowa small business clients, such as; attorneys, auto dealers,

- architects, banks, churches, colleges, dentists, engineers, financial advisors, non-profits, optometrists, schools, and utilities.
- Our staff averages over 15 years of experience in employee benefits.
